entrance you'll follow. It will lead to a window-less heavy metal door that has a code input. The door code is 245. You can just ask for the oncoming Mercy Air flight crew and the firefighters should direct them. Pack your lunch- microwaves will be available! Bring something to do during down time- internet access is available just ask for an access code. Be prepared to go through a short safety brief from the pilot-in-command (PIC), AM crew shift debrief and light orientation to the aircraft along with expectations and any other information from the duty medical flight crews.

### 2. Air 18- Mercy Air

56860 Higgens Dr., Thermal, CA 92274

**Shift Time:** 07:00 (7am-7pm) Be there a few minutes early!

**Contact:** (760) 828-3037

**Dress Code:** Scrubs, Business casual. Closed Toe Shoes

**Comments:** Air 18 (Thermal) is on the property of the Thermal Airport or, otherwise called the Jacqueline Cochran Regional Airport. You will have to enter through a secure gate and drive a partial perimeter to arrive at the actual base. However, you should be able to see the helo once you are in the vicinity. The airport gate code is 5876. Again, if they have any problems getting on the airport property or finding the base itself, call the base directly. The flight crews should be expecting you. Pack your lunch- microwaves will be available! Bring something to do during down time- internet access is available just ask for an access code. Be prepared to go through a short safety brief from the pilot-in-command (PIC), AM crew shift debrief and light orientation to the aircraft along with expectations and any other information from the duty medical flight crews.

#### For Administrative Staff:

There are a few reserve flight uniforms at the bases but it's not guaranteed that there are ones that will fit. You will have a reserve flight helmet or headset to use at the base. They should also bring a way of securing their valuables or lock them in their vehicles. If they have any questions or run into any problems, they can contact:
